

Thank you for taking the time to help us spread the word about our new **TOPSoccer Program**.

Here are a few details of our program. We have a new and exciting program with lots of fun activities to do.

Madison TOPSoccer allows every child with special needs the opportunity to participate, contribute, and excel in the game of soccer. The major purpose is to supply an outlet for parents with special needs children to be able to offer them the same fun and excitement that all children have participating in sports.

Our season will be from April 23rd 2011 to June 11th 2011. The games will be played on Saturdays at 10:45 am to 11:45 am. The fields are located at Madison Memorial School, 92 East Main St. We welcome all special needs children and their parents who would like to learn about and play the game of soccer. We also would like anyone who would like to volunteer to be a buddy to come. Please visit www.madisonsoccerleague.com and click on the TOPSoccer link to see all the forms for sign ups and to read more about our program.
